NO PARTY POLICY

We at Wildlife Prairie Park love being a part of special moments and occasions each individual guest brings to the park. However, we are very limited to what is permitted on property in regard to celebrations and need to be approved with us/Ticket Gate. We do allow hosting events such as wedding rehearsal dinners and small birthday parties/gatherings upon agreement. Larger parties often result in multiple guests coming and going, playing loud music, talking or yelling boisterously throughout the Park, creating disturbances for other guests, etc.... We intend to protect the privacy and peace of our guests. To that end we require your agreement to these items:

1. All guests will be required to provide an additional hold depending on the property rented. Deposit will be collected 2 days prior to arrival, henceforth already taken off your card before your arrival today, and will be released the day after check out.
2. This deposit is held strictly for incidentals. It will only be held if there is damage to the room or any objects provided, or additional cleaning is needed to be applied for things such as food and drink spills, decorations, etc.. Smoking indoors or any violations to the park's policies will also include in holding the deposit, or withdrawal of any additional funds to the card on file.
3. Guests must be 18 years of age to rent. Valid ID is required upon check-in.
4. No noise policy takes place from 11pm – 7am.
5. Only registered guests on reservation are permitted to stay after 10pm, and are permitted to complimentary access of the full park and everything it has to offer. There is an additional fee applied for every additional unregistered guest.
6. Any complaint of disturbance will be investigated. A verbal warning will be given to reduce said disturbance. If the warning is violated, a 2nd warning will result in our contacting the Police Department and the guest will be asked to vacate the property with no refund.
7. Anyone having parties with large amounts of alcohol will immediately be asked to leave the property, no refund given, and all alcohol will be confiscated.
8. This is private property, and as such we reserve the right to restrict cannabis usage both in the guest room and anywhere on property. No smoking of cannabis is allowed on Wildlife property.

I understand the No Party Policy and will comply with all the items as stated above:
