Summer 2020
at Wildlife Prairie Park

Summer Adventure Camp

Week 1– June 1-5

This week will focus more on outdoor recreation and activities. Most of the camper's time will be spent outside. Campers will fish at the West Side Pavilion, create an outdoor shelter, and learn how to identify wildlife scat and tracks. Each camper will receive a camp shirt and water bottle.

Week 2– June 8-12

This week will focus more on animals and the environment. There will be more activities held indoors during this week. Campers will have the opportunity to learn about native Illinois animals and their environment, create enrichment projects for some of the animals at the park and complete a pond study. Each camper will receive a camp shirt and butterfly net.
